

We So Seldom Look on Love

By Barbara Gowdy

HarperCollins Publishers, United Kingdom, 2008. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. A wonderful collection of prize-winning short stories from one of Canada's brightest authors. The cult film success KISSED is based on the title story. This powerful, disturbing and entirely original collection of prize-winning tales is a compelling exploration of all that is seemingly unnatural and outlandish. Populated by an assortment of freaks, Siamese twins, exhibitionists, necrophiles and transsexuals, these bizarre stories are shot through with Gowdy's humorous, life-enhancing and essentially festive sympathy for the quirks and quiddities found in life's carnival. Unflinchingly explicit and shocking, We So Seldom Look on Love is also moving and cathartic, pushing past the limits of convention into lives that are at once improbably fantastic and heartbreakingly real. The title story has now been filmed as the movie KISSED, a shocking and moving film that gained critical acclaim at Sundance and Cannes and will have full theatrical release in Britain, coinciding with the release of this tie-in edition.

This article examines *We So Seldom Look on Love*, a short story collection by the Canadian author Barbara Gowdy who displays a strong interest in extreme forms of physical and mental deviance in relation to the act of looking. Discursive forms are analyzed that revolve around the tyranny of the normative gaze and the fear of deviance, the bounded bodily ideal as opposed to the body in pieces.
