Finding Heaven Here is a guidebook to the universal teachings of spiritual practice and transformation--achievable in everyday life. This is a passionate book that shines a light on the most inspiring of human qualities: our capacity to perceive and experience "heaven on earth." What the author means by experiencing heaven on earth is our ability to mindfully shift our way of being in the world, so that we continually attune to what is beautiful, sacred, omnipresent, conscious, present, and divine.
