5.0 out of 5 stars Dr. Kirschner's Live Food Juices. Reviewed in the United States on March 27, 2011. Format: PaperbackVerified Purchase. I found this book 30 years ago and have read it through at least 20 times and will continue to do so. I have several good books on juicing but this is my choice because it is short and loaded with useful information borne of experience. The case histories are interesting and compelling. I try to read this book through every year. It's the best book on juices. Read more. Helpful.
