Recent Questions from Taking Sides: Clashing Views on Environmental Issues, Expanded (Taking Sides: Clashing Views on Controversial Environmental Issues). Which is a disadvantage of using aquaculture to produce fish. COMPANY. World politics is rife with complex controversial issues. A time-honored method of teaching controversies and skills of critical analysis is educational debate. This study seeks to acquaint educators of world politics with methodology of educational debate and provide practical recommendations on how to make this method of instruction a success. It focuses on challenges to functional debateâ€”difficulties with motivating students to think critically and assessing them reliably, engaging all students in debates and maintaining rapport in the classroom, selecting appropriate topics for debates and
