She holds that love is love no matter if it's primitives in the jungle or a couple in Starbucks. I believe that romantic love in western civilization is the love of one specific individual we pick from the multitudes. In hunter-gather societies, arranged marriage societies, pre-literate societies love is nothing like the love we experience. We agreed to disagree. I am not surprised that adultery and infertility are paramount. Darwin theorized that people marry primarily to breed. The Four-Year Itch. Hoping to get some insight into the nature of divorce, I turned to the demographic yearbooks of the United Nations. Divorce generally occurs early in marriage, peaking in or around the fourth year after wedding, followed by a gradual decline in divorce as more years of marriage go by.
