Antitrust Law Answer Book 2015

**Joe Sims
Kathryn M. Fenton
David P. Wales**

JONES DAY

The *Antitrust Law Answer Book 2015* provides a practical overview of the huge and complex practice area encompassed by U.S. antitrust law for the non-expert (and perhaps even for the non-lawyer) who wants to understand the basic concepts and to know when to seek more expert help. Written by a team of antitrust experts from Jones Day, the *Antitrust Law Answer Book 2015* is presented in a clear and concise question-and-answer format that reflects the kinds of questions the authors have actually been asked by their clients over the years.

Avoiding potential antitrust issues is an important aspect of any business deal, so this comprehensive coverage focuses on the most common business problems and those that illustrate the entire scope of the U.S. antitrust laws. It includes illustrative examples and real-life case studies to provide additional background and practical guidance, and points out the potential problems and suggests strategies to avoid them in plain, non-technical English. And while the *Antitrust Law Answer Book 2015* deals primarily with U.S. antitrust law, it does offer some very general comments on the different analytical approaches of other jurisdictions when it comes to antitrust law—or “competition law,” as it is known in the rest of the world.

The following is a list of the chapters you will find in the *Antitrust Law Answer Book 2015*:

- Chapter 1 Overview of U.S. Antitrust Laws
- Chapter 2 Antitrust Investigations and Litigation in the United States
- Chapter 3 Managing the Document and Data Discovery Process
- Chapter 4 Agreements with Competitors
- Chapter 5 Agreements Between Suppliers and Customers
- Chapter 6 Mergers and Acquisitions
- Chapter 7 Acting Alone: Monopolization Claims
- Chapter 8 Acting Alone: Unilateral Pricing Issues
- Chapter 9 Acting Alone: Unilateral Conduct Not Related to Price
- Chapter 10 Intellectual Property
- Chapter 11 Antitrust Compliance Programs

Start by marking "Antitrust Law Answer Book 2015" as Want to Read: Want to Read savingâ€¦| Want to Read.Â Jones Day has forged a stellar reputation in some of the most challenging antitrust matters in history, and the Antitrust Law Answer Book 2015 reflects their hardearned knowledge in a highly accessible format you can immediately put to work for you and your clients. Bring their expertise to bear as you tackle such issues as investigations and litigation, agreements between suppliers and customers, monopolization claims, pricing, and unilateral conduct not related to price. What's more, this handy guide's detailed coverage of antitrust compliance programs can help you avoid or minimiz Antitrust laws also referred to as competition laws, are statutes developed by the U.S. government to protect consumers from predatory business practices. They ensure that fair competition exists in an open-market economy. These laws have evolved along with the market, vigilantly guarding against would-be monopolies and disruptions to the productive ebb and flow of competition. Antitrust laws are applied to a wide range of questionable business activities, including but not limited to market allocation, bid rigging, price fixing, and monopolies. Below, we take a look at the activities these la...
