A rainbow of friends does justice to the topic with its illustrations. The pictures represent difference and express the ability to get along with one another. Although not broadly This book is perfect for children. A Rainbow of Friends is a fictional picture book targeting children ages 3 to 5. The story presents a realistic scenario about children of all walks of life; children of various ethnicity, appearances, abilities and disabilities and personalities. The story illustrates that children with disabilities and challenges still enjoy companionship & activities like non-disabled children.
