Edward VIII became king of the United Kingdom following the death of his father, George V, but ruled for less than a year. He abdicated the throne in order to marry his lover, Wallis Simpson, thereafter taking the title Duke of Windsor. Who Was Edward VIII? Edward VIII was a popular member of the British royal family and heir to the throne. In 1931, then known as the Prince of Wales, Edward met and fell in love with American socialite Wallis Simpson. After George V's death, the prince became King Edward VIII. However, because his marriage to Simpson, an American divorcee, was forbidden, E
