Nonfiction.film is a new international streaming platform for intelligent and advanced audience. Nonfiction.film presents the best quality Russian and foreign documentaries and TV series as well as recent important russian feature films. The Documentary Film Center (DFC) in Moscow has launched a unique online-video service in April 2018. The film catalogue will include documentaries which were successfully presented at the most prestigious film festivals all over the world. A type of non-fiction that teaches the readers about something, giving them basic information about a topic and providing them with facts is called expository writing. Example: Pamphlets, textbooks, manuals etc. 7. Feature Stories. Stories that circulate around a topic related to a specific culture or a place and are explained from a third person's point of view can be regarded as feature stories. Nonfiction or non-fiction is any document, or content that purports in good faith to represent truth and accuracy regarding information, events, or people. Nonfiction content may be presented either objectively or subjectively, and may sometimes take the form of a story. Nonfiction is one of the fundamental divisions of narrative (specifically, prose) writing in contrast to fiction, which offers information, events, or characters expected to be partly or largely imaginary, or else leaves open if and

Directed by Olivier Assayas. With Guillaume Canet, Juliette Binoche, Vincent Macaigne, Christa ThÃ©ret. Set in the Parisian publishing world, an editor and an author find themselves in over their heads, as they cope with a middle-age crisis, the changing industry and their wives.
