Another very good study manual option for Exam P is the Coaching Actuaries [ADAPT + Manual] option. ADAPT is similar to GOAL, which is included with the ASM and ACTEX study manuals. The Coaching Actuaries Exam P manual is only available electronically, but the benefit of this is that you'll always have the most up-to-date version. Also, in my opinion, the ADAPT technology is a bit more advanced than GOAL that is included with ASM and ACTEX. Which study manual to choose. Here's the link to ACTEX + your first month of my Study Strategy Program for Exam P. In the program I guide you step-by-step on how to prepare for your exam. TIA: Purchase on their website.
