Seminar on Burma-Japanese Relations, Thammasat University, Bangkok, Thailand, January 3, 1991.

February 12, 2007

These books include publications by Charles Taze Russell and Joseph Franklin Rutherford. Many of the older publications are no longer used by Jehovah's Witnesses. The more recent publications are used by Jehovah's Witnesses for their ministry and for their own personal study to understand Jehovah's Witnesses' doctrine. The publications of Jehovah's Witnesses are organized into the year that the works were published, and in descending order. Simply click on a link to view or download a publication. Free Download: Book Proposal Template. Make publishers take notice. Use this simple template and take the guesswork out of crafting a book proposal that sells. Modern publishing is a tricky game especially when trying to figure out the biggest names within that game. Most major publishers are part of a larger media conglomerate, prominent indie presses excepted, and a search for the year's largest book publishers will often yield companies that work with other forms of content rather than books.
