Stone Building: How to Make New England Style Walls and Other Structures the Old Way (Countrymanâ€) by Kevin Gardner Paperback \$13.28. Only 18 left in stock (more on the way). Ships from and sold by Amazon.com.Â It is more detailed than John Vivian's Building Stone Walls, particularly when it comes to retaining walls. Because it is not as glossy and illustrated as Haywards' Stone in the Garden or David Reed's Stonescaping (which are, by the way, both excellent in their own right), I'm not as wary about taking it out to the project with me.
