List of television series canceled after one episode. By location. List of American television series by setting: List of television shows set in Boston. List of television shows set in Chicago. Lists of Canadian television series (includes English language and French language programs). List of Chinese television series. List of Colombian television series. List of Danish television series. List of Finnish television series. Lists of current TV series and award winners to help you figure out what to watch now. Movies and TV shows are Certified Fresh with a steady Tomatometer of 75% or higher after a set amount of reviews (80 for wide-release movies, 40 for limited-release movies, 20 for TV shows), including 5 reviews from Top Critics. Audience Score. Percentage of users who rate a movie or TV show positively. Learn More. What's the Tomatometer? A television program (British spelling: programme) is something that people watch on television. Several different kinds are made: A series of fictional programs with the same title and characters (a television series). Each television series is made as a series of programs. These individual programs are called episodes. Most series are made up of between 12 and 24 episodes for each season. Some with fewer are called miniseries. A single show (episode) from a television series.
